## AUTO QUALIFICATION APPLICATION AND APPROVAL FORM

This is to confirm that I wish to be enrolled in the Agape Superior Living Auto Qualification Program. I agree to be bound by all the Terms and Conditions of the Auto Qualification program and that I also acknowledge that I can cancel out of the Auto Qualification Program at any time by giving notice in writing to the company of that intention.

I agree that the company can enrol me for Auto Qualification at the 30, 70 and 140 BV levels depending on the amount of Responsible BV that I will need to purchase in any one month of my membership in Agape Superior Living to ensure that I am always qualifying for my cycle bonus payouts.

I further agree that I will hold the company blameless and not responsible for any situation where the system for whatever reason does not action this Auto Qualification procedure – the company accepts ‘all care but no responsibility’. It is still up to each member to ensure they are purchasing the minimum monthly BV to maintain their bonus qualification.

This Auto Qualification and Approval Application Form (AQAA) gives the company the right to debit my Product Account for the monthly purchase applicable to the BV level I need to qualify at. If my Product Account does not hold sufficient credit for payment thereof the company can then access my Cash Account, failing this the company can then access my credit card to obtain payment for the necessary AQ Program payments. This Authority can only be cancelled in writing on the correct ‘cancellation’ form.

My credit card details are as below:

Card Number	<input type="text"/>	3 Digit Security Code	<input type="text"/>
Expiry Date	<input type="text"/>		

I confirm that this authority to use my credit card for Auto Qualification also includes my undertaking that I will not charge back any debit to my credit card arising from this application and that this application will be used by the company to refute any charge back I may make for this charge.

**Please enrol me in the Auto Qualification system forthwith.**
